Fabulous Native Plants for your garden

2016 NATIVE PLANT SALE

Hello neighbours! We are the local volunteer stewardship team caring for 22 acres of nature park at Todmorden Mills located at (67 Pottery Road). We are a registered charity. We are selling native plants to raise funds to continue to restore the natural area at this historic site.

Your purchase can be **delivered** right to your door or backyard by our volunteers! (applies locally only)

To place an order: mail or drop off your cheque at 331 Linsmore Crescent or please contact us at wildflowerpreserve@gmail.com or call 416-423-1504.

Plants are \$5.00 each (unless indicated)

Please make cheques payable to Todmorden Mills Wildflower Preserve

Ostrich Ferns have edible fiddleheads and can take a lot of sun.

Christmas Ferns grow in deep shade and are green all year.

Native wild geranium grows well in dappled shade.

Maidenhair Ferns are graceful and take part shade, part sun.

Wild Ginger- for part sun/part shade. It spreads slowly.

Common Milkweed grows best in full sun. A pollinator magnet!

Virginia Waterleaf makes a beautiful ground cover, white to lilac flowers.

Also available: zig-zag goldenrod, butterfly milkweed, wild bergamot, bee balm, sweet ox-eye sunflower, white avens, black-eyed Susan, wild columbine and New England aster.

Make Nature part of your yard!

We appreciate your support. Thank you for your order. We rely on fundraising and donations.
